The quickest way to get to us by car from the motorway is along the Sea Front:

Coming from the North on the M5

Exit at junction 21 and follow the A370 trunk road into Weston-S-Mare Town Centre and Sea Front. You should be passing 5 roundabouts before crossing the railway bridge at W-S-M Central Railway Station (directly on your left).

From here you should follow the signs to “Knightstone Harbour” and/or “Grand Pier”.

Carry straight on at the roundabout directly after the railway bridge, passing Tesco supermarket on your right. At the next roundabout (Town Hall ahead, right) turn left and immediately right at the next mini roundabout. Carry straight on, passing Scally’s, the “Bikers Friendly Pub” on your left, until you reach the traffic lights on the Sea Front.

Here you can only turn left, with the one way system. Make sure you get into the right lane immediately, as you will now have to turn right, double-backing, to go north along the Sea Front.

From the Sea Front heading North

Pass the Grand Pier on your left and Winter Gardens on your right. Carry on past the stone arch on your left until you see the Pavilion Bar/Restaurant on your left. Now turn right into Upper Church Road, go to the crossroads about 150 Meters ahead and turn right.

Florence Guest House is about 40m from the crossroads on your right, in a row of other guest houses.

Parking

Unfortunately parking is restricted at the front of the Florence (1 hour, but free after 6 PM and on Sunday). You can however unload passengers and luggage.

There is a municipal car park at the rear of Florence Guest House (£ 5.50 per 24 hours, £ 2.00 between 8 PM and 8 AM). You can reach the car park either by taking the second road/lane on your right after first entering Upper Church Road, or by turning right immediately after passing the front of Florence Guest House.

Alternatively (free) parking is possible in a residential area, close to Florence Guest House. Please ask for directions on arrival.
